MISSION: “To ensure the integrity of the transportation security system by providing direct regulatory oversight of the security measures implemented by transportation industry partners as required by the United States Code of Federal Regulations (CFR) and mandated security programs.”

VISION: “The TSA Savannah Compliance Team is committed to exceeding the standards of transportation security through fostering a culture of workforce excellence, identifying and mitigating emerging threats, and promoting collaborative partnerships.”

STAFFING: The Savannah Compliance Team consists of 7 personnel. One Assistant Federal Security Director for Inspections, four Aviation Inspectors and two Cargo Inspectors.

“SEE SOMETHING SAY SOMETHING”

Are they readily available for all of your employees and tenants?
General Aviation Airports
General Aviation Airports

- Know your airport and its surroundings.
- Trust your instincts
- If you see something suspicious, report it
- If you think something just isn’t right, it probably isn’t
- Know the emergency contact numbers for response teams
General Aviation Airports

The following are some things that should cause a heightened sense of suspicion
(not all inclusive list)

Unusual interest in the airport and aircraft
Surveillance
Inappropriate photographs or videos
Note-taking
Drawing or diagrams
Annotating maps
Using binoculars or night vision devices
Unattended bags or other property
